

## TECHNICAL DATA

**Name of product:** COMPACTUS Cabernet Sauvignon/ Syrah 2008

**Produced and bottled:** Sociedade Agrícola do Carneiro, Lda.

**Classification:** Regional Lisboa

**Type:** Red.

**Grapes:** 50% Cabernet Sauvignon/ 50% Syrah

**Area:** 8 hectares.

**Vineyard age:** 16 years

**Soil:** Limestone.

**Notes of harvest:** Quinta do Carneiro's microclimate, with clear Mediterranean characteristics, offers excellent conditions for good ripening of the grapes. In fact, the relatively high temperatures of 29-30°C felt on the southern and western slopes where the red wine grapes are grown, together with a relatively low atmospheric humidity (< 60%) helped to produce grapes rich in sugar, polyphenols and ensured excellent plant health.

**Process of wine making:** Classic fermentation system together with grape and stems. Intense maceration before fermentation, which one happened with controlled temperature at 25-27°C. Maceration after fermentation.

**Ageing:** It stayed in French and American oak during 3 months and at least then 3 months in bottle before market

### Analytical data:

**Alcohol strength:** 13,9 % by Vol

**Total acidity:** 5,4 g/l

**pH:** 3,56

**Sugar** < 2.5

### Notes on tasting:

**Visual appearance:** Clear and brilliant.

**Color:** Deep red color

**Aroma:** High intensive wine aroma remembering ripe red fruits and some evolution.

**Taste:** Good structure balanced and stills with a light astringency at the end.

**General Impression:** A fruity, balanced wine which may continue to age.

**Consumption:** This wine is best served with all meat dishes, lamb, feather, game and as a partner of a tasty cheese. The bottle should be opened 1 hour before serving at a temperature of 18°C. Being a natural product it may show some residual with ageing. If necessary decant it before serving.

**Preservation in private cellar:** Lay the bottle down in a cool and dry place, sheltered from light.

**Shipment of product:** In "Bordeaux" type bottles.
