Region	Douro	
Country	Portugal	
Vintage	2008	
Grape Varieties	Touriga Nacional.	
Soil	Schistose	
Alcohol Volume	14% vol.	
Total Acidity	5,6 g/l in tartaric acid	
Residual Sugar	5 g/l	
Conservation	Bottle Horizontal	
Winemaker	João Soares Ana Urbano	
Wine Consultant	Dias Cardoso	
Winemaking Process	<p>The criterious monitoring of Touriga's Nacional grapes cultivated in the Quinta do Cachão, permitted to vinify the best grapes of the variety, proceeding from one specific land parcel. Passed the alcoholic and malolactic fermentation in barrels of french oak, the wine aged for 11 months where it sharpened.</p>	
Service Temperature	18-20°C	
Tasting Notes	<p>Opaque colour wine with a concentrated aroma, remembering ripe blackberries, spices and the elegance of the floral characteristic of the grape variety. In the mouth its enormous structure is tamed in a robust and drawn out set.</p>
